**ORDER – INITIAL CONFERENCE**

The Court held its Initial Conference in this MDL on February 9, 2021. The below are the orders entered after discussion of these issues at that conference.

**1. Leadership structure** – After the Court discussed issues concerning the leadership structure with all parties, the Court **ORDERED** Plaintiffs and Defendants to each file their proposed consent motion and order as to their requested leadership structure and team within 7 days of the date of this order.

**2. Future status conferences** – The Court will hold status conferences once a month. The next six conferences will take place on the following dates at 10:00 am via zoom:

Tuesday, March 9, 2021

Monday, April 12, 2021

Wednesday, May 12, 2021

Monday, June 14, 2021

Tuesday, July 13, 2021

Friday, August 20, 2021

The Court will send out the zoom links prior to the conferences. The parties will submit a proposed consent agenda 3 business days prior to the conference. The parties will also confer as to the format for presenting issues that require additional explanation. When these are necessary, they should also be filed 3 business days before the conference.

**3. Stay of responsive pleading obligations** – The Court continues the stay of responsive pleading obligations provided for in Section 6(b) of the Court's initial order.

**4. Pending motions** – The Court **DENIES WITHOUT PREJUDICE** all pending motions in the individual cases comprising the MDL. These cases are also **ADMINISTRATIVELY CLOSED**. These terminated motions will later be refiled in accordance with an upcoming Case Management Order.

**5. Docketing** – All parties are to docket future filings only in the MDL case.

The case caption should indicate whether any filing applies to all cases or list the individual cases to which it should apply.

**6. Electronic service** – The Court **ORDERS** all attorneys participating in the MDL proceeding to register with the Court’s CM/ECF system. Because all attorneys will then receive electronic copies of documents filed in the MDL, the Court **ORDERS** that electronic service of documents via the Court’s CM/ECF system satisfies the obligation of service. Hereafter, unless otherwise ordered, neither the clerk’s office nor counsel for the parties shall be obligated to provide service copies of any filings or related orders by U.S. Mail or any other means to attorneys who have not registered with the Court’s CM/ECF system. An attorney who is not participating in the MDL and does not want to receive CM/ECF notifications may file a motion to withdraw or a certificate of consent to withdraw in accordance with Local Rule 83.1(E).

**7. Initial disclosures** – The Court **GRANTS** the parties’ joint request for the Court to excuse the parties from Rule 26(f) initial disclosures; except as to the ParaGard New Drug Application (“NDA”) that was transferred on or about November 10, 2005, to Duramed Pharmaceuticals, Inc., and produced by TWH, Inc., to plaintiff in the *Estrada* case, which will be

produced for Attorneys' Eyes Only to Plaintiffs' Lead Counsel and the Plaintiff Executive Committee and subject to the Protective Order to be entered in this case. to confer as to proposed orders for the following:
